NORMS OF FIXING FEE

For fixing fee, The School followed the instructions from affiliation Bye law, chapter 7.

The Fee to be collected from students of the school is decided based on the projected expenditure of the school.85% of the total income generated is to be spent for the salary expenditure. Remaining 15% is to be spent for miscellaneous expenses of the institution.

The requirement of change if any, is presented to the school Management committee, and with its approval, it is implemented.
