AN INITIATIVE OF Dr. RAJU DAVIS PEREPADAN

A foresight into the tremendous metamorphosis that would grip global educational scenario in the coming ten years; the insights gained from visiting world class educational institutions across 25 countries and 20 years of practical experience has prompted this visionary-Dr. Raju Davis Perepadan-to take a significant step towards establishing an international educational institution that would take into consideration all the limitations encountered in the process of systematic learning-an initiative he has been brooding over for the past 20 years.

Founder

Dr. Raju Davis Perepadan : A visionary who has founded a number of educational institutions including 2 engineering colleges, an MBA college, 2 CBSE schools apart from initiating a number of other educational institutions. He is the Vice President of All Kerala CBSE School Management Association. He served as General Secretary and Working President of the association earlier. He was the Vice President of All Kerala Engineering College Managements Association and All Kerala MBA College Managements Association. He was the General Secretary of Calicut University Management Schools Association. He is enriched with a lot of new ideas and innovatives through his visit of nearly 25 countries around the world. He was a member of kerala university senate in his college days itself.

Awards Received

Recipient of Swami Vivekananda National Award 2007 for his innovations in Academics. The award was given along with the noted personalities like the Chief Minister of J&K Shri Gulam Nabi Azad (Award for statemenship), Former cabinet Minister Padmabhushan Dr. Mohan Dharia (for social service), Management Guru Padmashri Dr. Preetham Singh (Life Time achievement), AIIMS Director Padmashri Dr. P. Venugopal (Health Service) etc. The jury for the award consisted of the former Chief Justice of India Hon. Justice A.H. Ahamadi, Dr. P.C. Alexander, former Maharashtra Governor and Shri Jairam Ramesh, Union Minister etc. Dr. Raju Davis is also the recipient of Nehru Award and Gandhian Puraskar for his novel ideas introduced in education.

Dr. Raju Davis International School

This is the outcome of the desire of the well known educationalist Dr. Raju Davis Perepadan to start a **Co-educational residential school** at par with international standards. The school is housed in a seven storied 1 lakh sq. ft. building with all modern amenities. He has designed the curriculum with a lot of novel ideas which no other schools in India has dreamed before.

Quality Policy

1. Dr. Raju Davis International School aims to achieve measurable excellence in holistic education with the identifiable ethical parameters.
2. Dr. Raju Davis International School maintains professionalism in functioning and will strictly adhere to the best international standards in quality.
3. Quality will be maintained & improved by continuous monitoring and evaluation.
4. Continuous quality training will be imparted to its faculty and non-faculty.
5. It will take incessant effort to upgrade the technology to international standards to adhere the academic excellence.

Vision

1. Dr. Raju Davis International School aims, at providing international standards in education.
2. We plan for continuous and comprehensive evaluation to improve the quality of services we provide.
3. We intend to upgrade according to the changing and evolving methods that are happening around the world.
4. We aspire to become the leaders in the educational scenario of the country.

Implementation of quality policy

1. Rigorous training is given to its members of staff every year.
2. Training is imparted to upgrade the quality of teaching as well as their overall development and managerial skills. It is being imparted by worldclass corporate trainers from around the world.
3. Continuous and constant monitoring system is implemented in a professional way.
4. Advanced technology in teaching methods and administration is updated time to time.

Mission

1. Dr. Raju Davis International School will deliver professional standards in an international level.
2. We will function as a team within the framework of ethical parameters while being empathetic and innovative.
3. We are committed to excellence in service and continuous improvement in quality.
4. We will provide required assistance to the students with learning disability.

What we expect from parents & students

In order to implement the policies, we expect the following from parents & students:

- ▶▶ Keep a positive attitude.
- ▶▶ Try not to highlight petty issues
- ▶▶ Try to adapt according to the developing world standards.
- ▶▶ Keep utmost decency in behaviour, dress code, language etc.
- ▶▶ Render utmost co-operation to the management and teachers.

Confidence building fire walking exercise by teachers during a corporate level workshop

Special Features...

Specialities in KG Classes

INTRODUCING FOR THE FIRST TIME - K.G. LIFE SKILL LAB

The novel idea of setting up this lab is nourished by the Chairman in his travel around the world and he has imported the equipment from various countries. The students learn basic principles of life science, life skills, communication skills etc. by play-way method in K.G. Class itself. Also they learn maths modules even that of High School Classes in K.G. itself like basic principles of arithmetic, logarithm etc.

- ▶▶ Goan teachers in KG classes.
- ▶▶ Learning is completed in the school. No books are sent home. No home works.
- ▶▶ No writing in LKG. Only oral.
- ▶▶ Round table system for individual attention.
- ▶▶ At least 5 stage programmes, and soft skill training.
- ▶▶ Drama workshop.
- ▶▶ Smart interactive classes with touch screen boards.
- ▶▶ Special training session to mould students in day to day disciplined life.
- ▶▶ Breakfast, lunch and milk supplied to all KG students daily without extra payment.

SPECIALITIES IN SCHOOL SECTION

"LEARN AT SCHOOL"

Programme; introduced for the first time in India.

Another novel idea implemented by the Chairman for the academic excellence of LP students. By this programme an average student can complete learning in the class itself. Daily tests are conducted at the end of the period itself to evaluate both the learning and teaching process. No tension at home; No Homework for class 1 and 2, Exclusive study time in the afternoon for learning daily portions.

We create World-class I.T. Experts

Syllabus specially developed by I.T. experts only for Dr. Raju Davis International students with multimedia, animation, web designing, C++, Java, linux and the latest other modules, equip the students to be world class IT experts even better than B.Tech graduates. The syllabus is upgraded every year. Skill Certificate is issued for those who complete class X successfully.

Training for self study in U.P. - Seminar session from class V.

A different training method is introduced from 6th Std onwards making students to learn the portions themselves without any outside support. Training is given in examination skills also. This will help the students to learn independently in professional studies and to face the exam easily without stress in the higher classes- a module exclusively formulated and implemented by Dr. Raju Davis International School. Also every Student presents seminar after each chapter.

Lift

Advanced Civil Service Foundation Course from Class VI onwards

Foundation Course to equip students to appear for Civil Service exams like IAS, IPS, etc... and for Central Government Class I officers selection tests (RBI officer, Income Tax officer, P F Commissioner, Insurance officer etc...) are conducted from class VI onwards. Training for MAT, CAT, NIFT, All India Engineering services, Tourism Management entrance exams are also included. The course is conducted in alliance with the famous IAS coaching centre-Brainz IAS Academy, Lucknow.

Syllabus includes basic Numeric skill, Data interpretation, Mental ability, Decision making, Problem solving, logical reasoning, Analytical ability, Inter personal skill, Communication skill, comprehension, Current events etc. Only 40 seats are available and admission to this batch will be given only from the merit list of the Entrance test to be conducted on April 3, 2017.

Exam System at International Standard

Four exams are conducted yearly from class VI apart from regular class tests, chapter wise test and daily 5mts tests. This four exams are outsourced to an International agency. They will be conducting written test for 80 marks and MCQ for 20 marks. MCQ exam is conducted with laptops supplied by the school. This is to train students for the All Indian competitive exams. The written exam papers will be having double valuation. One by the agency and next one by our teachers. Our teachers valuation will be done on CBSE norms and the agency will be doing valuation at international level. Online evaluation report is given on each question to each parent. This will enable students to compare themselves with International standards.
