DIFFERENTLY DIFFERENT !

FIRST TIME IN THE COUNTRY !

INTERNATIONAL STANDARDS !

An initiative of Dr. RAJU DAVIS PEREPADAN

A foresight into the tremendous metamorphosis that would grip global educational scenario in the coming ten years; the insights gained from visiting world class educational institutions across 25 countries and 25 years of practical experience has prompted this visionary - Dr. Raju Davis Perepadan-to take a significant step towards establishing an educational institution with international standards taking into consideration all the limitations encountered in the process of systematic learning, an initiative he has been dreaming over the past 25 years.

◀ *Dr. Raju Davis Perepadan*

Founder

Dr. Raju Davis Perepadan : A visionary who has founded a number of educational institutions including 2 engineering colleges, an MBA college, 2 CBSE schools apart from initiating a number of other educational institutions. He was the Vice President of All Kerala CBSE School Management Association. He served as General Secretary and Working President of the association earlier. He was the Vice President of All Kerala Engineering College Managements Association and All Kerala MBA College Managements Association. He was the General Secretary of Calicut University Management Schools Association. He was a member of Kerala university senate during his college days itself. He is enriched with a lot of new ideas and innovations through his visit of nearly 25 countries around the world which is used for setting up this institution.

Awards Received

SPECIALITIES IN SCHOOL SECTION

SKILL LAB

"LEARN AT SCHOOL"

Programme; introduced for the first time in India.

Another novel idea implemented by the Chairman for the academic excellence of LP students. By this programme an average student can complete learning in the class itself. No tension at home; No Homework for LP, Exclusive study time in the afternoon for learning daily portions.

As this Programme is found successful, the school plans to extent "LEARNAT SCHOOL" programme. up to class 9 from 2022-23.

We create World-class I.T. Experts

Syllabus specially developed by I.T. experts only for Dr. Raju Davis International students with multimedia, animation, web designing, C++, Java, linux and the latest other modules, equip the students to be world class IT experts even better than B.Tech graduates. The syllabus is upgraded every year. Skill Certificate is issued for those who complete class X successfully.

Training for self study in U.P.

A different training method is introduced from 6th Std onwards making students to learn the portions themselves without any outside support. Training is given in examination skills also. This will help the students to learn independently in professional studies and to face the exam easily without stress in the higher classes- a module exclusively formulated and implemented by Dr. Raju Davis International School. Also every Student presents seminars after each chapter.

Dr. RAJU DAVIS INTERNATIONAL SCHOOL

This desired outcome of the well known educationalist, Dr. Raju Davis Perepadan was to start a Co-educational residential school at par with international standards. The school is housed in a seven storied 1.5 lakh sq. ft. building with all modern amenities. He has designed the curriculum with a lot of novel ideas which no other schools in India has ever dreamed before.

QUALITY POLICY

1. Dr. Raju Davis International School aims to achieve measurable excellence in holistic education with the identifiable ethical parameters.
2. Dr. Raju Davis International School will implement professionalism in functioning and will strictly adhere to the best international standards in quality.
3. Quality will be maintained & improved by continuous monitoring and evaluation.
4. Continuous quality training will be imparted to its faculty and non-faculty.
5. It will take incessant effort to upgrade the technology to international standards to adhere the academic excellence.

IMPLEMENTATION OF QUALITY POLICY

1. Rigorous training is given to its members of staff every year.
2. Training is imparted to upgrade the quality of teaching as well as their overall development and managerial skills. It is being imparted by worldclass corporate trainers from around the world.
3. Continuous and constant monitoring system is implemented in a professional way.
4. Advanced technology in teaching methods and administration is updated time to time.

VISION

1. Dr. Raju Davis International School aims at providing international standards in education.
2. We plan for continuous and comprehensive evaluation to improve the quality of services we provide.
3. We intend to upgrade according to the changing & evolving methods that is happening around the world.
4. We aspire to become the leaders in the education scenerio in the country.

Mission

1. Dr. Raju Davis International School will deliver professional standards at an international level.
2. We will function as a team within the framework of ethical parameters while being empathetic and innovative.
3. We are committed to excellence in service and continuous improvement in quality.
4. We will provide required assistance to the students with learning disability.

What we expect from parents & students

In order to implement the above policies we expect the following from parents & students.

- ▶▶ Try to adapt according to the developing world standards. ▶▶ Keep a positive attitude.
- ▶▶ Keep utmost decency in behaviour, dress code, language etc. ▶▶ Try not to highlight petty issues
- ▶▶ Render utmost co-operation to the management and teachers.

Fire walking exercise for confidence building performed by teachers during a corporate level workshop
