

Circular No.032/2021-2022

Date: 25/01/2022

Dear Students,

Greetings!

You are aware that the Republic Day celebration as we have planned cannot be organised this year.

However, all should keep the spirit of Republic Day and should think about the National Leaders who sacrificed their life for the Nation. Show your respect to the Soldiers who guard the territory of our Nation, Scientists and Health workers who are working hard for keeping our Nation safe and healthy.

The Ministry of Defence organises Republic Day Parade every year on 26th January in our Capital City (New Delhi). It is one of the best Parades in the whole World.

The Ministry of Defence and the CBSE invite all the students to watch the Republic Day Parade live. All the students are informed to register today to watch the prestigious Parade using the URL given below:
